Jesuit Educational Aims

“

Jesuit education is inspired by the Ignatian world-vision of man, drawn from the life and teaching of Jesus Christ who has always been respected and admired by the people of India.

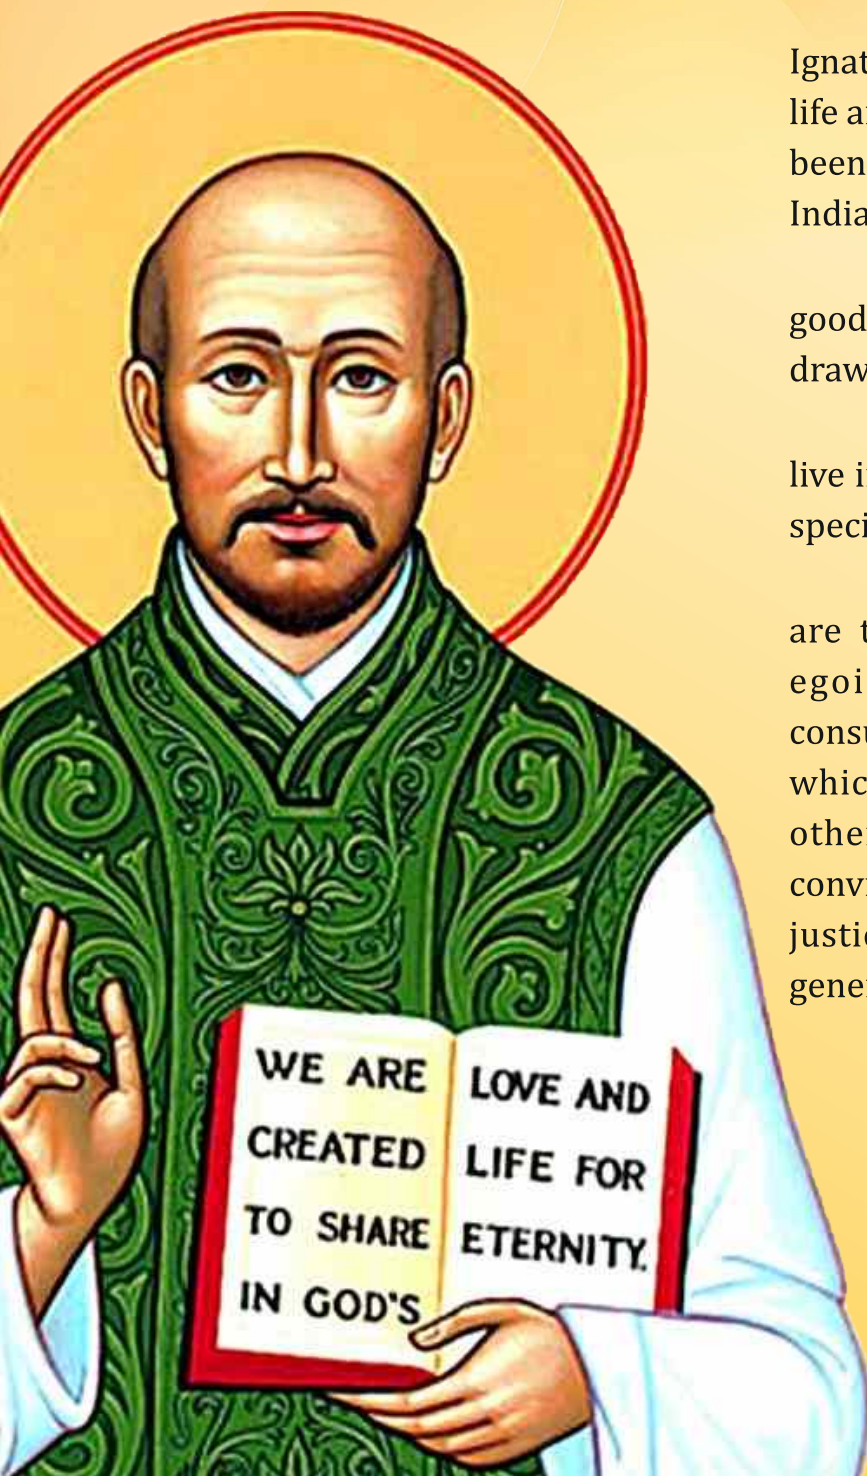

Our aim is not simply to teach and develop good professionals in society but educate to draw out the best that is in every student.

The person we educate must be able to live in community in solidarity with every one, specially with those who are in need.

We want our students to be persons who are there for others. There is no room for egoism, deceit, craze for possessions, a consumerist spirit and a spirit of competition which takes advantage of the weakness of others rather we want the students to be convinced and united in affirming the values of justice, equality, service, honesty, sincerity, generosity and respect for others.

I am delighted to know that St. Mary's English Medium School, Samtoli is publishing the 4th Volume of its annual magazine-2024. I congratulate you for rightly selecting this precious theme, "Enlighten the World".

It is not just a theme but the entire life, the mission of each-one's life. So, being a student you are searching for the meaning of your life. A good education fulfills the purpose of our life. We learn to identify ourselves with all that lives. In learning process we gain tremendous knowledge.

Mahatma Gandhi, the Angel of Peace who said, "The instrument of this knowledge is boundless self service". He with his extraordinary works and non-violence in thoughts transformed the world vision. Freedom and Peace were the purpose of his life.

I wish that with the publication of the annual magazine more enlightenment will be shared among the students, the future citizens of India.

Bishop of Simdega Catholic Diocese.

Message from Fr. Rector

I am very happy to learn that St. Mary's English Medium School is bringing out its school magazine. At the outset I would like to congratulate all the members of the editorial board for their hard work and presenting it to the readers.

The importance of education in life is immense. School serves as a centre of education, learning and skill development for the students. It is here that they acquire knowledge, values, moral habits and skills. It enriches their lives and gives a direction to live a meaningful and successful life. Truly speaking, education lays the foundation of human growth and all round development in all respects. Imparting character formation and formative values are the noble duty of any educational institution.

Today Mass media has become a great source of information and knowledge in all spheres of our life. With the accumulation of information a person feels satisfied and enriched. But mere mental development should not be the ultimate end of education for a student. To be a balanced person in life means physical, mental, spiritual and emotional growth in right proportion. Very often Mass Media fails to give the formative values and elements of character building in life. In such situation students are advised to be more judicious in their approach to Mass Media.

While receiving the education a student is advised to develop a critical mind. Such mind will help the student to discern and decide well. With such mind there is the possibility of distinguishing the difference between good and bad; and right and wrong and go for all that is good for life and discard all that is bad. I wish that students grow in discerning mind and become a responsible citizen for the creation of a better society.

My prayers, best wishes and blessings are with you in your constant growth and maturation.

May the blessings of God accompany and guide you always!

Fr. Pius Xalxo SJ

Message from Fr. Bruno Toppo S.J.

"Nothing is impossible" is a wonderful phrase which can fill us with high self-confidence and make us victors over intricacies of life. I am jubilant to know that St. Mary's English Medium School, Samtoli is diligently working for making possible the publication of school magazine "Aura Volume IV" on the theme: "Enlighten the World". As we know that great leaders, scholars, scientists etc; throughout history have had a profound impact in shaping the world through their valuable ideas, knowledge and discoveries. All of us are unique and all of us have capacities to shine like the great people. The theme of the school magazine is aptly chosen because the world today is in dire need of enlightenment because human minds are poisoned with the darkness of different types of evils which are dangerous for the society. Evils can promote only evils like; hatred, turmoil and enmity and make human life miserable, but good can multiply love, peace and goodwill, which support life grow and flourish. In order to remove evils, we need first to get rid of all types of evils within us. As teachers and students, we have to be ever ardent and passionate in gaining knowledge and sharing it to build our nation. We must care for all irrespective of their castes and religions because humanity is the greatest religion among all religions.

Dr. A.P.J Abdul Kalam, one of the greatest scientists, the missile man and the former president of India, while addressing a group of young students enthused them saying that the greatest wealth and the most powerful resources of a nation are not wealth, riches, gold and silver but the ignited minds of the youth. He is absolutely right because only minds set on fire can light up other minds by pushing the boundaries of knowledge, creativity and innovation. They can dream big and convert them into reality towards nation's growth and progress. Publication of school magazine gives a right platform and ample opportunities for sparking young minds of students for imaginative, expressive and innovative growth through literary exercises and artworks.

I congratulate the editorial board of 'Aura Volume IV' for their ceaseless hard work in converting the theme "Enlighten the World" into a beautiful school magazine. I am sure that this magazine will add a feather to the school's cap and affect us all to become better human beings and thus to make our society and world a better place to live in.

Message from Dr. Fr. Samir X. Bhawnra S.J.

It fills me with immense pleasure, joy and enthusiasm to know that St. Mary's English Medium Samtoli, Simdega, is releasing '**Aura Vol.4**' the annual magazine, with the theme '**Enlighten the World**'. I am humbled and honoured to write a message for the magazine. The theme reflects a clear vision of enlightening the world which is an audacious dream in itself. To achieve this dream, the idea of a magazine provides an excellent platform for the students to grow in the field of writing and publication. The release of the magazine is not only another feather in the school's cap, but also a genuine effort to nurture the young students into mature writers for the future. They will contribute to society and the nation immensely in various capacities.

My message to the budding writers, researchers and poets is that they should continue their courageous work of writing and publication. Critical thinking is one of the key elements of "world affirming" - one of fundamental characteristics of the Jesuit education. Therefore, I encourage you that you keep on growing in the area creative imagination and critical thinking and express these through writing and publication. Further, it is not only adding something substantial in the vast reservoir of knowledge by writing, but also you should take up the responsibility to enlighten the world. Finally, the publication of this magazine stands as a true endeavour for the holistic development of both the readers and the authors.

May God bless us all!

Message from the Principal Desk

Dear Students, Teachers and Parents,

It gives me immense pleasure to share with you the fourth edition of Aura, the School Magazine. The academic year 2023-24 was notable for academic prowess, innumerable achievements, well-organised school events and activities. Schooling is our first contact with the world, a period of joy, healthy competition, adjustment, sharing and love. It is not the wide-open spaces, classrooms, the library, laboratories or the large fields that make the school. It is in the heart of the students and staff that the true institution exists.

Education is not merely acquirement of facts but also of values which help us improve the different facets of mankind. It ensures that we leave the world a far better place than we found it. A pivotal role of education lies in shaping the personality of a child into a healthy mind and happy soul, who is not only equipped with 21st century skills and aptitude required for academic excellence but helping them face the challenges of life in a balanced and harmonious way. Therefore, the system of education should work as a catalyst in making each child a balanced human being having his/her core strengths embedded in the learning experiences.

Learning is not a process limited to schools and colleges only, nor does it end with the conclusion of one's school career. It is indeed a lifelong process. We learn from womb to tomb. The school is oriented to the total formation of a child and to adaptations of various methods suiting the dynamics of changing world in order to achieve common goals and objectives. It is further characterised by shared vision- responsibility and above all, love and faith in God in order to achieve these goals.

In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect. I also laud the relentless efforts of our teachers for giving their best in bringing out the best in each child. But I would exhort the students to be always modest, humble and disciplined, while being ready to expand the horizons of their knowledge and skills by dreaming big and working hard.

I congratulate the entire editorial team for their hard work and dedication in making this dream come true. Teamwork is the hallmark of St. Mary's English Medium School. I am very sure through collaborative effort we can achieve more to benefit our students who are the future leaders of tomorrow.

Best Wishes.

"Good leaders create a vision, articulate a vision and passionately own a vision and turn it into a reality."

-Jack Welch

Dear Readers,

**Welcome to the 4th edition of our annual magazine- '*Enlighten the world*'
Aura VOL-4.**

The school is an incarnation of self respect , love, affection, sensibility, responsibility and compassion which puts the students into a state of flow and makes them genuinely learn. We recognize, appreciate, applaud and foster the fine blend of sensibilities in a child changing a negative outlook from drab and demoralized to bright and expectant. The school attains it's eminence in the first place through the achievements of children. The magazine also espouses the school spirit which built within the school through the collective actions, thoughts and aspirations. All these, we believe would spur higher growth and enterprise in children. Therefore, St. Mary's English Medium School Samtoli Simdega succeeded in redefining educational boundaries and bridges not only the learning gap but also conducted their golden period curricular and co curricular events through the virtual mode.

The reflection of the students' creativity and achievements is the epitome of the magazine. Students and teachers have put forth their ideas and thoughts that are too deep to be expressed and too strong to be suppressed. We are happy to be a part of the editorial team this year ,being able to witness an array of talents of staff and students of the School and also being able to be viewed with just the turning of a few pages. We thank all the editorial board and contributors as their contribution is the reason that makes this magazine endearing to our readers. So, be a part of this experience and we hope you enjoy reading our magazine.

It's time to fly.....

5th Annual Convocation

Honourable Principal (Fr. Elias Kullu SJ), brother, sisters, our esteemed teachers, non-teaching staff, dear juniors and my lovely fellow batchmates. A very pleasant good morning to one and all present here. Today is a bittersweet day, as I stand before you for the last time to say farewell. Right it sounds real heavy **"FAREWELL"**. After spending many wonderful years here,

it is time for me and for us to move on to new adventures and challenges in life. I don't want to, however before I do, I would like to take a few moments to express my

gratitude and share some of my thoughts with you. School life was just like a roller coaster ride so thrilling and terrifying yet having you all made it an incredible experience. I just cannot believe it has already been 13 years in this school It feels like

yesterday when I entered the school campus for the very first time, crying and being cared by our teachers more like our parents now. I want to thank all of you for the incredible journey we have shared together. Over

the years, we have faced many challenges and celebrated countless victories. Through it all, we have formed strong bonds and friendships that I will always cherish. **Chaliye ek kahani batati hu meri** first ever trying to speak in English. Shayad tab mai class L.K.G ya U.K.G me thi aur break ka time tabhi mujhse mere principal unhone pucha ki **'WHAT ARE THE STUDENTS DOING IN PLAYGROUND SANJANA?** And I replied **MATCH THE FOLLOW FATHER.** (considering playing as a match) Look at me today how far I've come. **ABCD se kab sin**

theta cos theta ho gaya pata he ni chala. I still remember **kaise mai mere friends ke liye kinder Joy ke gift collect karti thi aur hum fairy games kehlte the unke sath throw ball khelna, hide and seek khelna was the best era. Unse har 2 weeks me katti ho jana aur fir 2 din baad fir se sath me lunch karna. Jab koi class boring si lage toh chupke se chor aur police khelna Miss Aaroti ke paas chhip ke rehna... sir xavier ki science class-how am i looking? se shuru hona, aur baki saare teachers ke sath bhi hamesha ghul mil kr rehna. Even though avi kuch mentors yaha at the very moment present nahi hai**

but they've also taught us many

virtues that we will always implement in our lives. My first experience of tour to south with my friends made it all even better sath me rehna ghumna, khana aur sone ke pehle truth and dare khelna was toh mandatory. Aur haaa. **CORONA!!** Wo bhi toh experience kiya hai humne sath me **#the corona batch video audio band** karke so jana aur exams ke papers ghar me likh kar school me submit karne ana. So out of the blue but yet an experience. Har program me participate karna aur piche se teachers ka support hona which built-up my self confidence and I am so thankful for that to my dear mentors. School ke aunties aur uncles jo ki bohot pyare hai unse ye sunna ki **"sanjana tum logon ki bohot yaad aayegi"** Aur juniors se **"didi aap log chale jaoge, mat jaiye"** sunna was the best thing I could ever hear.

P.T.O

Aur suddenly nursery se the senior most ban Jana aur itne batchs ko farewell dene ke baad aaj apna bhi farewell ka din aa gaya pata he nhi chala. Well we do need to keep moving on in life. I am grateful for the opportunities I had to learn and grow here. The skills and experiences I gained have been valuable, and they will undoubtedly serve me well in my future. I want to thank my mates and mentors for their guidance, support, and encouragement. Your wisdom and kindness have been an inspiration to me. As I prepare to leave, I feel a sense of sadness and loss. I will miss the familiar faces, the faces that I have been seeing for the past 13 years, the laughs we shared, and the sense of belonging that comes with being part of such a wonderful family. Yes, we are a family. **ST. MARY'S FAMILY** However, Mai excited bhi hu for the new adventures that await me. I am confident that the skills and knowledge I gained here will help me succeed in my future. As I say farewell, I want to leave you with a few thoughts. Firstly, never ever stop learning. Farewell of Class X (2023-24)

The farewell is always bittersweet, it's not just a good bye but rather it's 'see you later'. As the final day approaches, the atmosphere gets filled with a mixed emotions, nostalgia, excitement and a feeling of sadness. On 27th January 2024, we gathered in the school hall to bid farewell to the seniors, the guiding stars who illuminated our path and who have shaped our journey. The farewell to the last batch class 10th 2023 -24 was not just event but was a heartfelt celebration of memories, achievements and bonds formed over years. The outgoing batch represented more than just students leaving the campus but they also symbolized leadership. They had been mentors, friends and role models who welcomed us when we were new comers, guided us through the labyrinth of academic challenges and life lessons. Their achievements both academic and extracurricular have set high standards for us to follow, whether it was excelling in academics, leading events or representing the institution in various ways like competitions, contributions has left a lasting effect.

As we look back in the memories of our shared laughter, group discussion and having fun comes flooding into our minds. We remember the events organized by them, the cultural fests hosted and the times stood by us when things got tough.

One of the highlights of any farewell is the parting words from the seniors. Their experiences, shared in form advises are the golden nuggets of wisdom which still have time left in this institution.

We thank them for their guidance, friendship, care, love and support. This is how they made our journey unforgettable. We wish them a bright future.

FAREWELL TO FR. ELIAS KULLU S.J.

10th June 2024 marked the farewell of Fr. Elias kullu S.J., the former principal of St. Mary's English Medium school Samtoli, Simdega. On this day, special thanks was given by Fr. Pius Xalxo S.J., the Rector of St. Mary's community followed by the bouquet presentation as a token of love and gratitude by students and teachers. After that, Farewell speech and song also took place. At last, our dear father expressed his long awaited feelings with a thanking note. It was mixed emotions of joy and pain. We all are going to miss him and the time that we have spent with him. It is a bit difficult for me to write about a personality, who has done great contributions for our school. Kindly excuse me if I make any mistake in writing about him.

He was transferred to our school during the pandemic of corona, when we all were scattered here and there as the schools were closed. He was the person who brought everyone back to studies through online class.

I also remember those days as the school reopened, the kids used to cry out loudly during the assembly because they were separated from their parents. Father used to say 'let them express their emotions by cry. With time, they will learn and grow stronger on their own to adjust themselves. It was a very sentimental moment but after few weeks the kids themselves started coming to the school happily. Then I realized, he was right in his action.

His friendly nature towards us really made us feel comfortable. He also taught us a beautiful smile and a gesture of love which can make anyone his friend. In fact words can't fully express the gratitude for the contributions that he has made. No words can do justice to the impact he has done for our school.

His biggest contribution is upgrading the school to a next level, including the affiliation of the school. In the process of the growth and progress of the school he left us and gone to another school for the greater glory of God.

I believe we will soon have a good interaction with the father. Dear father, farewell and bloom wherever you are.

"We are glad, You are here"

There was a farmer who was selling a pound of butter, a baker on daily basis. One day, the baker decided to weigh the butter to see if he was getting the right amount. When he weighed the butter, he got to know that he was not getting proper amount. Angry about this, he took the farmer to court. The judge asked the farmer if he was using any measures to weigh the butter. The farmer replied, honour, I am primitive. I don't have a proper measure, but I do have a skill. The judge asked "Then how do you weigh the butter?"

The farmer replied "Your honour" long before the baker started buying butter from me, I have been buying a pound loaf of bread from him. Every day, when the baker bring the bread, I put it on the skill and give him the same weight.

Mother

God made a wonderful mother, a Mother who never grow old. He made her smile of the sunshine and he molded her heart of pure gold.

In her eyes he placed Shine stars. In her cheeks, fair roses, you see, God made a wonderful mother, and he gave that dear mother to me. I am like a flower. That is raised with love by you. Help me grow up, big and strong mom! Thanks for all. You did love you, Mumma.

Childhood

My mother tells me about it, and I also remember a bit, the time when I was too innocent, the time which was superb and excellent.

I used to play with my toys, And my life filled with happiness and joy, Life was then exciting and alluring. but now, it is becoming boring. I can't forget those days of mine.

In darkness of my life, like the jewels, they all shine.

By chance, due to good deeds of mine, if God will ask me for my wish at any time, I will wish to become smart and good,

but my first preference will be my childhood

My Mom

If I had one last, wish to make it would have to be that God would heal my mom, and give her pain to me.

For I've never seen, my mom hurt so bad in all my life. I'd do anything and everything to take her pain and strife.

She's the only one, who never lost, complete faith in me, without her hair by my side. I am not sure where I'd be.

We didn't always get along, but then again who does, she thought me about the, real world and what life really is.

I think I love her one for.

All the hell, I put her through.

So God, if you can grant this wish for me, I will eternally be grateful to you.

And if my mom ever decides to ask why her life suddenly changed this way.

Do me a favour and let her know. That I said.

I Love You Mom

OUR NATIONAL FLAG

We are Indians and our national flag is very important for us. The national flag of India is known as Tiranga and was adopted in its current form from July 1947. Pingal Venkayya proposed and designed the present Indian flag. The national flag represents unity, irrespective of the difference in our culture, religion, race, caste, languages, class etc. It is the symbol of unity, honour and freedom. It has three colours: they are saffron, white and green. The saffron at the top means sacrifice. The white in the middle indicates truth and purity. The green at the lower part stands for prosperity. The blue wheel in the middle means peace and progress.

The Christmas Story

About 2000 years ago, in a small town called Nazareth. There lived a young Jewish girl named Mary. She was not married, but she was going to be married to a good man named Joseph. Well, one day something amazing happened, an angel appeared and told that she was going to give birth to a baby, who was the son of the most high, he will be named as Jesus. Mary said I am, the handmade of God, may Lord do what he wants to do with me. Soon after a few months, Mary was about to have a baby. The imperial made a new law that all of the people of Nazareth have to pay tax. So, Mary and Joseph decided to go to Bethlehem. It was about 65 miles from Nazareth to Bethlehem. The trip of many days. And when they reach Bethlehem, there was no place of shelter. So, they have to stay in a stable. There Joseph brought a soft, fresh hay where they sat. At that night, Jesus was born and it was such a wonderful night, big stars were glowing. They kept baby Jesus in a manger. Near Bethlehem, some shepherds were roaming their sheeps, suddenly, an angel appeared, and told that their saviour is born. They told "where the big star is going, there is our saviour, king". They saw little Jesus. So, this is the Christmas story. At last, I wish everyone, Merry Christmas.

Student Life

Student life is very important in one's life. This time can also be called the golden age because the future of a person depends on it. It is during this time that a person's character is formed. A child does not have much understanding in small class. He is slowly learning worldliness. Student life is a time where there is no burden of human suffering. There is no burden on him, at this age he only cares about himself. He also has plenty of time. A student's life is a valuable period where they learn and grow. The work of a student is to acquire knowledge and learn discipline and skills to develop their personality.

Honesty

Honesty is one of the greatest virtues of man. It is ever useful in human life.

It makes the life of a man happy and successful. An honest man wins success and is admired by all. Honesty is the great source of strength. A man who is honest has nothing to fear and nothing to be ashamed of. Honesty is his greatest weapon. An honest man may not get success in the beginning, but in the long run, his honesty brings name and fame. The success of a dishonest man is his failure, because in future no body will trust him. So, honesty should be the principal of our life. We should be the principal of our life. We should adopt honesty and a firm policy in our daily life. We must not cheat others. We should deal honesty with others. An honest man receives respect. He is treated by all. A dishonest man does not have peace mind. He is dispraised by all. So, honesty is preferable to dishonesty.

Three Sons

A king had to choose his successor from amongst his three sons. He gave his sons some seeds. He told them the one who would grow a healthy plant would be the successor. A month later, the oldest son brought a plant which had born small fruits. The second son brought a plant that had bloomed lovely flowers. The third son apologized that he could not grow anything as the seeds he received were dead ones. The king was overjoyed and said to his youngest son that he had passed the test. "Discipline is the bridge between goals and accomplishment."

Discipline helps us to grow up and become happy and successful person.

Discipline means to follow a set of manners and execute them in daily life.

Discipline is the first thing in the life of a student which leads him/her to the way of success.

Schools and places of work teach us discipline. Teachers, parents and elders also help us to learn and follow rules. We must try to be discipline in our classroom, in the school assembly, on the sports ground and while visiting places with elders. Thoughts

A person that is not confident,
will never find his way,
but will a person that is confident
Will lend others the right way.
A life is like a root if you will go straight
you will find your destiny,
or if you will use a shortcut you will
be lost
and never reach your destiny.
One candle is enough to find your way,
in the dark, If you want more
it will burn out so be happy
from what you have.
Some beautiful things are not always good,
That's why roses have also thorn.
Some people can give you negative advice.
You are only who have to make it positive.

Benevolence

we all want to be perfect and try to get the qualities that will help us to become so. One of the essential attribute in this regard is benevolence. Which means doing good to others without expecting anything in return. It also means to share one's virtues such as peace, love and courage. The one who is that truly benevolent Never show their charity work to other or tell anyone. They just try to help others, not like some influencers, who just record themselves, helping poor and needy for views and their promotion. Benevolent person does not only help someone by giving money or worldly things, but they also try to help mentally, they have good wishes for the other person and encourage and help them to overcome their weakness. Even though they can discern the shortcomings of people, their feelings towards them, do not change, they gossip about others faults. The result of all this is that everyone is content with such, kindly souls – they create, hope in the hopeless and nurture courage and confidence in those rejected by others. this kind of magnanimity brings lifelong rewards in the form of Goodwill, regard and gratitude. So let us all become benevolent and help each other.

The Lazy Boy

There was a boy named Joy. He was very lazy. He could not even bother to change his clothes. One day he saw that the apple in their yard was full of fruits. He wanted to eat some apples. But he was too lazy to climb the tree and take fruits. So, he lay down under the tree and waited for the fruits to fall off. Joy waited and waited until he was very hungry. But the apples never fell.

The moral of the story is "you can't get anything easily without working hard."

Importance of Honesty in Life

Honesty plays an important role in everyone's life and it is a character which is visible with open eyes like an open book. Home and school are the places where a child learns moral ethics. Children must be instructed right from the beginning and their childhood to practice honesty. It is always admirable in the family, civil society, friends and across the globe. An honest person is always known for his/her honesty just like a sun is known for its eternal light and unlimited energy. It is a quality which a person to succeed in life being dishonest is a sin in all the religions. However, people practice it for their short time benefits and selfishness. They never become morally

strong and their life becomes miserable. An honest person moves freely in society and spreads his/her fragrance in all directions. Being honest never means to bear the bad habits of others or bear ill treated activities.

टूटा हुआ बर्तन

एक आदमी एक छोटी-सी झोंपड़ी में रहता था। उसके घर में कोई पाइपलाइन नहीं थी। वह पास के कुएँ से अपने घर में पानी लाने के लिए दो बर्तनों का उपयोग करता था। एक बर्तन में छोटा सा छेद था। वह आदमी हमेशा अपने बाएँ हाथ में छेद वाला बर्तन पकड़ता था। जब तक वह आदमी घर पहुँचता, तब तक दाहिनी ओर का बर्तन हमेशा भरा रहता था और बाईं ओर का बर्तन हमेशा आधा भरा रहता था। पड़ोसी के एक बच्चे ने यह देखा और उस आदमी से पूछा कि वह टूटे हुए बर्तन का उपयोग क्यों कर रहा है। वह आदमी मुस्कुराया और बोला इसके दो कारण हैं। मेरा बायाँ हाथ थोड़ा कमजोर है और मैं अपने बाएँ हाथ में पानी का पूरा बर्तन नहीं ले जा सकता। दूसरा कारण यह है कि जब मैं पानी वापस लाता हूँ तो रास्ते में एक तरफ पानी के गिरने से उस ओर हरे भरे पौधे लहलहा रहे थे और दूसरी ओर कोई पौधा नहीं था।

चार मूर्ख

एक बार बादशाह बहुत प्रसन्न मुद्रा में थे। उन्होंने बीरबल से कहा “बीरबल, मुझे चार मूर्ख दिखाओ, हर मूर्ख एक दूसरे से बड़ा मूर्ख और बेवकूफ होना चाहिए।” ठीक है,” बीरबल ने उत्तर दिया। बीरबल ने देखा कि एक आदमी कपड़े की चादर से ढकी हुई ट्रे ले जा रहा था और वह इतनी तेजी से भी जा रहा था कि ऐसा लग रहा था कि वह बहुत जल्दी में हो। बीरबल ने उस आदमी से पूछा कि। तुम इतनी जल्दी में इसे कहाँ ले जा रहे हो? तो उस आदमी ने बताया कि “मेरी पत्नी ने मुझे तलाक दे दिया और दो साल पहले दूसरे आदमी से शादी कर ली। उसने पिछले साल एक बच्चे को जन्म दिया, आज उस बच्चे का जन्म दिन समारोह है। इसलिए मैं समारोह के लिए मिठाई की ट्रे ले जा रहा हूँ।” उस आदमी की बात सुनते ही बीरबल ने मन ही मन कहा कि “यह पहला मूर्ख” है। आगे चलकर बीरबल को एक आदमी दिखा। जो घोड़े पर सवार था और तो और उसके सिर पर लकड़ियों का ढेर भी था। बीरबल उसकी मूर्खता देखकर आश्चर्यचकित हुए। उन्होंने कहा “यह क्या है, मेरे दोस्त?” आदमी ने उत्तर दिया कि “श्रीमान यह मेरा पालतू घोड़ा है। और यह पहले से ही मेरा बोझ उठा रहा है, और मैं उसे और बोझ नहीं दे सकता, इसलिए मैंने लकड़ी का ढेर अपने सिर पर रखा है।” बीरबल उसे भी अपने साथ दरबार ले गया। वहाँ बीरबल अकबर से कहा “महाराज, यहाँ दो मूर्ख हैं।” सम्राट ने कहा “ठीक है, लेकिन बाकी दो मूर्ख कहाँ हैं? बीरबल ने कहा “वो तो यहीं हैं।” आपका क्या मतलब है, सम्राट ने स्पष्टीकरण माँगा। “यह बहुत आसान है, आप बताएं। क्या मैं एक मूर्ख नहीं जो इन दोनों मूर्खों को खोजने में लगा हूँ? यह तो बस वक्त की बर्बादी है।” बीरबल ने कहा। और चौथा मूर्ख कौन है? अकबर ने पूछा। बीरबल ने कहा “मैं थोड़ा घबराया हूँ। मेरे राजा चौथा मूर्ख तो आप हों क्योंकि आप ही तो वो हैं जिसने चार मूर्खों को खोजने का आदेश दिया था।

सच्ची मित्रता

सच्ची मित्रता बिना शर्त और विश्वसनीय होने चाहिए जहाँ दोनों एक दूसरे को खुलकर स्वीकारें और सम्मान दें। दोस्त एक-दूसरे की भावनाओं को समझें और सहानुभूति रखें। जीवन में उतार-चढ़ाव के साथ-साथ एक-दूसरे को प्रोत्साहित करें। सच्चे मित्र ईमानदारी से बात करते हैं, गलतियों को माफ करते हैं और आगे बढ़ते हैं। वे एक-दूसरे के सीमाओं, राय और व्यक्तित्व का सम्मान करते हैं और स्थिर संबंध बनाए रखते हैं। सच्ची मित्रता से दोनों एक-दूसरे की जरूरतों और भलाई को प्राथमिकता देते हैं और साथ में जीवन के पलों का आनंद मनाते हैं। यह एक सुंदर जीवन भारत का सफर है जो जीवन को समृद्ध बनाता है। तो आइये हम इसे कहानी के माध्यम से समझते हैं :-

एक जंगल में दो खरगोश रहते थे। एक का नाम मीना था और दूसरी का नाम लीना था। दोनों में गहरी मित्रता थी। वे एक-दोनों के साथ स्कूल जाते थे। गर्मी का मौसम आया उन्हें छुट्टियाँ मिल गईं। स्कूल से लौटते समय मीना ने कहा- गर्मी की छुट्टियाँ तो हो गई, हमें बरसात के मौसम के लकड़ियाँ इकट्ठा करनी होंगी। क्या तुम मेरे साथ लकड़ियाँ इकट्ठा करने चलोगी। लीना ने कहा - “नहीं मैं नहीं जाऊँगी। मुझे छुट्टी का पूरा मज़ा लेना है। तुम्हें जाना है तो जाओ” मीना उदास होकर अकेली ही चली गई। वह हर दिन अकेले ही लकड़ियाँ इकट्ठा करती रही और दूसरी ओर लीना आराम से बिना कुछ काम के मस्त अपनी जिंदगी जी रही थी। अब बरसात का मौसम आ गया मीना। खुशी-खुशी रोज का काम करती, खाना बनाती और आराम करती क्योंकि उसे कोई चिंता नहीं थी कि मैं कैसे खाना बनाऊँगी? और लीना कुरोज बारिश में ही छाता लेकर लकड़ियाँ तलाश करनी पड़ती क्योंकि उसके घर का चूल्हा नहीं जल पाता था और खाना भी नहीं बन पाता था। एक दिन मीना को हल्की सी आवाज़ सुनाई पड़ी। उसने आवाज़ का पीछा किया तो वहाँ जाकर देखा कि वहाँ उसकी मित्र लीना दर्द से करा रही थी। वह गिर गयी थी। छाता उलट गया था और लकड़ी का गद्दा पड़ा हुआ था। मीना उसे उठाकर उसके घर ले गई। उसका घर बहुत ही गन्दा था। उसने उसे बिस्तर पर लिटाया और उसका इलाज किया फिर अपने घर से लकड़ियाँ लाकर आग जलाकर भोजन बनाया। इतना ही नहीं उसने उसका घर भी साफ कर दिया। जब लीना को होश आया तो उसने पूछा- “मैं कहाँ हूँ?” मीना ने कहा - “तो अपने घर में हों” लीना ने आश्चर्य से इधर-उधर देखते हुए कहा - “यह मेरा घर नहीं है।” लीना ने कहा - तुमने यह सब मेरे लिए किया? मीना ने कहा - हाँ, क्योंकि मैं तुम्हारी सहेली हूँ। उस दिन के बाद से लीना ने कभी आलस नहीं किया।

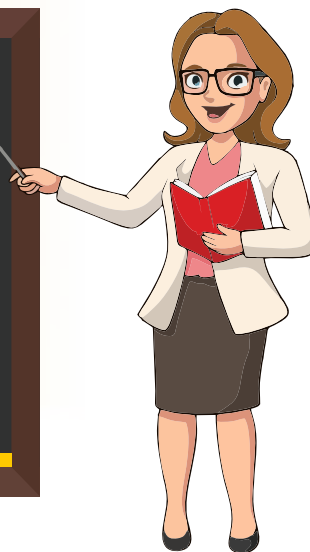

इस प्रकार से सच्चे मित्र अपने मित्र की रक्षा और मदद करते हैं।

सोशल मीडिया का प्रभाव...

आज की सदी में हम इस बात को बिल्कुल अनदेखा नहीं कर सकते हैं कि सोशल मीडिया का प्रभाव किस प्रकार से हमारे जीवन पर पड़ रहा है। सोशल मीडिया संचार का सबसे बड़ा साधन है। यह एक ऐसा मंच है जहां दुनियाभर के लोग एक दूसरे से जुड़े हुए हैं और अपने व्यक्तिगत विचारों का आदान प्रदान करते हैं। विगत कुछ सालों में सोशल मीडिया ने काफी रफ्तार पकड़ी है। चूंकि लगभग सभी के पास स्मार्टफोन हैं। यही कारण है कि सभी के लिए सोशल नेटवर्किंग साइट्स का उपयोग करना आसान हो गया है। सोशल मीडिया हर आयु के वर्गों को प्रभावित किए हुए हैं। लेकिन देखा जाए तो सबसे ज्यादा सोशल मीडिया का प्रभाव हमारी भावी पीढ़ियों पर यानी छात्र वर्गों पर पड़ रहा है। छात्र सोशल मीडिया का जमकर इस्तेमाल कर रहे हैं। व्हाट्सएप, फेसबुक और इंस्टाग्राम सोशल मीडिया के प्रमुख प्लेटफॉर्म जो छात्र

द्वारा प्रयोग किए जा रहे हैं। शिक्षा के संदर्भ में कितने कारगर है ये सोशल मीडिया?? दो पुरानी कहावतें हैं पहला कि दुनिया को जिस नजर से देखो ठीक वैसे ही दिखेगी। दूसरा - वस्तुओं को जिस तरह प्रयोग करो ठीक वैसे ही फल देगी। प्रकृति का यही नियम भी है। ये सारी बातें सोशल मीडिया के संदर्भ में भी लागू होती हैं। इसके जितने फायदे हैं उतने नुकसान भी हैं। शोधकर्ताओं के अनुसार ज्यादातर छात्रों पर सोशल मीडिया का विपरीत प्रभाव पड़ रहा है। इसके निरंतर बढ़ते उपयोग के कारण उनकी पढ़ाई और भविष्य सबकुछ दाँव पर लग रहा है। बहुत से युवा पढ़ाई से मंच चुराने लगे हैं। वॉट्सएप, फेसबुक और इंस्टाग्राम छात्रों को सबसे ज्यादा भटका रहा है। छात्र अधिकतर समय चैटिंग में व्यस्त रहते हैं और अनजाने में अनजान लोगों के संपर्क में आकर भटक रहे हैं।

सोशल मीडिया में व्यस्त रहने के कारण वे अपने माता-पिता, भाई-बहन एवं घर के बाकी सदस्यों से दूर हो गए हैं। एक ही घर में रहकर घरवाले अनजान तथा अनजान लोगों को अपना समझने की भूल कर रहे हैं। कई बार छात्र अपनी निजी जानकारियाँ सोशल मीडिया में साझा कर खुद के लिए मुसीबत मोल लेते हैं। इसी सोशल मीडिया के कारण छात्रों में आउटडोर गेम्स को लेकर आकर्षण नहीं है। छात्रों में आत्मानुभावों की कमी के कारण फर्जी जानकारी प्राप्त कर गलत कामों में पड़ रहे हैं। गलत आदतें लग रही हैं। शारीरिक विकास के साथ साथ उनके मानसिक विकास पर भी इसका गलत प्रभाव पड़ रहा है जिस कारण से पढ़ने लिखने में मन नहीं लग पा रहा है। छात्रों के स्मरण शक्ति भी दिन व दिन कमजोर होती जा रही है। छात्र अपना ज्यादातर समय सोशल मीडिया पर बर्बाद कर रहे हैं जिसके कारण वे अन्य कार्यों में समय नहीं दे पाते हैं। यही कारण है कि अभी की युवा पीढ़ी में स्वाध्याय, लगन और खेलकूद तथा संस्कारों में भी कमी आ रही है और अनेक गंभीर समस्याएँ पैदा हो रही हैं। हमारे छात्रवर्ग ही हमारे देश के भावी भविष्य निधि हैं, वे देश की अर्थव्यवस्था को बना भी सकते हैं और बिगाड़ भी सकते हैं। सोशल नेटवर्क वेबसाइट पर लोगों का मानक विचार है कि अगर आप डिजिटल रूप से

उपस्थित नहीं हैं तो आपका इस दुनिया में कोई अस्तित्व ही नहीं है, इसलिए बच्चों को भी मीडिया साक्षरता

अवश्य देनी चाहिए। ताकि वे देश दुनिया के साथ कदम मिलाकर चल सके लेकिन साथ ही हमारे माता-पिता को भी कुछ सावधानियाँ भी बरतनी होगी। जैसे - सोशल मीडिया पर बच्चों की गतिविधियों पर ध्यान दें। बच्चों को सोशल मीडिया और उसके दुष्प्रभाव के बारे में जानकारी दें। बच्चों को दोस्तों से मिलकर बातचीत करने के लिए प्रोत्साहित करें। स्पोर्ट्स या फिजिकल एक्टिविटी के लिए बच्चों को बढ़ावा दें। बच्चों के फोन को पेरेंटल सेटिंग एप से सुरक्षित करें। सोशल नेटवर्किंग के लिए बच्चों का एक समय निर्धारित करें।

हिन्दी का महत्व

हर एक देश की पहचान उस देश की भाषा होती है। किसी भी देश की एकता में उस देश की राष्ट्रभाषा अहम भूमिका निभाती है। हिन्दी भारत की राष्ट्रभाषा के साथ-साथ राजभाषा भी है। अतः राजभाषा होने के नाते, इसका महत्व बहुत अधिक है। बहुत पहले हरिश्चन्द्र ने कहा था -

**" निज भाषा उन्नति अहै, सब उन्नति को मूल।
बिन निज भाषा के मिटत न हिय के शूल"**

उनके कहने का तात्पर्य यह था कि बिना राष्ट्रभाषा के मनुष्य की उन्नति नहीं हो सकती और इस भाषा के ज्ञान के बिना व्यक्ति किसी और भाषा का ज्ञान प्राप्त नहीं कर सकता। हिन्दी के महत्व को हम निम्नांकित बिंदुओं से भली भाँति समझ सकते हैं -

1. **राष्ट्रीय एकता की भाषा :** हिन्दी भारत की राजभाषा है जो देश के विभिन्न भागों में बोली जाती है। यह देश की एकता और अखंडता को बनाए रखने में मदद करती है।
2. **सांस्कृतिक धरोहर :** हिन्दी भारत की सांस्कृतिक धरोहर का एक महत्वपूर्ण हिस्सा है। यह भाषा भारत के इतिहास, साहित्य और संस्कृति को प्रदर्शित करती है।
3. **संचार :** हिन्दी भारत में सबसे अधिक बोली जाने वाली भाषा है, जो देश के विभिन्न भागों में संचार के लिए एक महत्वपूर्ण माध्यम है। हिन्दी संचार के माध्यम से विचारों और संदेशों को प्रभावी ढंग से पहुँचाया जा सकता है।
4. **शिक्षा :** हिन्दी शिक्षा का एक महत्वपूर्ण माध्यम है जो देश के विभिन्न भागों में संचार के लिए एक महत्वपूर्ण माध्यम है।
5. **साहित्य :** हिन्दी साहित्य भारत के साहित्यिक धरोहर का एक महत्वपूर्ण हिस्सा है, जो देश का इतिहास, संस्कृति और जीवन शैली को प्रदर्शित करता है।
6. **आर्थिक विकास :** हिन्दी आर्थिक विकास में भी महत्वपूर्ण भूमिका निभाती है, जो देश के विभिन्न भागों में व्यापार और उद्योग के विकास में मदद करती है।
7. **संवाद :** हिन्दी संवाद के लिए सशक्त माध्यम है, जो लोगों को एक दूसरे से जुड़ने में मदद करता है। हिंदी में संवाद करने से सांस्कृतिक और सामाजिक संबंधों को मजबूत किया जा सकता है।

इस प्रकार हिन्दी केवल एक भाषा ही नहीं, बल्कि भारतीय संस्कृति की आत्मा है, इसलिए हिन्दी के महत्व को खुद समझें और दूसरों को भी समझाएँ तथा इसके प्रचार-प्रसार में अपना भरपूर योगदान दें।

हिंदी एक ऐसी भाषा है जो भारत के दिल की धड़कन है। -अटल बिहारी वाजपेयी
